

YOUR VOICE IS NEEDED TO FIGHT HUNGER IN IOWA!

## PLEASE EMAIL OR CALL YOUR LEGISLATORS ON PROPOSED SALES TAX EXEMPTION BILLS

---

Please join the Iowa Hunger Coalition (IHC) to advocate for proposed Iowa legislation SF 205/HF 370, which would provide sales tax exemption to nonprofit emergency feeding organizations.

**ACTION** is needed now to educate our state legislators on the fact that hunger exists in all 99 Iowa counties and the importance of moving these bills forward. The Iowa Hunger Coalition estimates that exempting hunger fighting organizations from sales tax would provide 1,375,000 more meals in Iowa through food banks alone.
