FOOD BUCKS™**

IOWA

Investment in Double Up Food Bucks Program

REQUEST: A direct, annual \$1 million appropriation to support Double Up Food Bucks, a statewide nutrition incentive program, at Iowa farmers markets and grocery stores.

Rationale for Appropriation:

In our response to food insecurity caused by COVID-19, we saw the incredible impact DUFB can have when it is expanded statewide: **More than \$2 million in DUFB were redeemed for fruits and vegetables by 75,000 Iowa families in 2021!**

Now that the COVID relief funds have been expended, the program has been scaled back for 2022. **A direct appropriation is necessary to re-fund the program at statewide level and to leverage more federal funding.**

What can \$1 million of state funding provide?

65 more retail grocery locations

1 million servings of fresh produce

Access for 30,000 more Iowa families

Healthiest State
INITIATIVE

Double Up Food Bucks is managed by the Iowa Healthiest State Initiative, a 501(c)3 non-profit organization. The program is funded and supported through public-private partnerships.

PROGRAM OVERVIEW

How Double Up Food Bucks works:

For every SNAP dollar spent on fresh fruits and vegetables at participating sites in Iowa, SNAP recipients receive an extra Double Up Food Bucks (DUFB) dollar to spend on fresh produce. It's a \$1:\$1 match, up to \$10 each day.

2022 Expanded Funding Opportunity

Double Up Food Bucks is currently funded through public-private partnerships and a GusNIP (known formerly as FINI) grant. The USDA Gus Schumacher Nutrition Incentive Program (GusNIP), authorized by the 2018 Farm Bill, **is an opportunity for a 1:1 match for all non-federal funding.** The non-federal funding may come from state government, local or private sources.
